COMPANY OVERVIEW

At Lythouse, LLC, we specialize in identifying, procuring, and delivering advanced medical products to federal healthcare facilities. With over 30 years of combined experience, our mission is to support the wellbeing of service members, veterans, and their families by enhancing the medical supply chain. We leverage strong relationships with top manufacturers and distributors across the U.S. to ensure government agencies receive the highest quality medical technologies and products. Our team is committed to exceptional customer service and compliance with federal procurement standards. We aim to be a trusted partner in transforming healthcare delivery within VA and DOD systems. Lythouse is proudly expanding from Florida and Texas to serve the entire U.S.

CORE COMPETENCIES

- **Procurement of medical devices and advanced healthcare products and software**
- **Distribution to VA and DOD medical facilities**
- **Government contract facilitation for manufacturers**
- **Regulatory and compliance support for medical procurement**
- **Strategic sourcing through established vendor relationships**
- **Subcontracting and prime contracting opportunities**
